I was checking back with Home Depot to see if you have been able to follow-up with Corporate? Either way I also wanted to arrange to purchase the Cameras. I am looking to obtain 18 based on the current price and funds available. Do you have that many on hand or can we arrange for a meeting to get an order in place?

Subject: Ring Door Purchase for Reward Program

Jose,

Thank you for accepting my call today. I have been working with Raymond Pollum, Vice President of Neighborhood Sales for Ring, to provide our department with access to the Law Enforcement Portal for Ring Social Media Network. We have set aside some money to obtain Ring Door Bells to distribute as a reward to people who help provide information to the police department in El Monte that leads to the arrest for residential burglary of theft suspect(s).

This program has \$1,950.00 to obtain Ring Door Bell Cameras to people who help identify suspect who are committing burglary or theft in residential community. Our goal is to highlight our new access to the RING Law Enforcement Portal and the use of the RING devices to prevent crime and make for a safer community. We want to purchase the Ring Devices from the El Monte Home Depot. Our partnership with El Monte Home Depot, Ring and the community is designed to provide tools to prevent crime and reduce thefts.

We are planning a social media campaign for this project and we feel your participation would be a great boost to all of our missions. I have included the memorandum so you have a full understanding of our goals. I am not sure about the volume cost break guidelines for your company, but we are confident we have funds to purchase 18 Ring Devices. (FYI Funds are on Gift Cards). It is my hope there is an ability to use any volume pricing to bring that total up over 20 cameras.

Please feel free to share this request with your management and I look forward to meeting with your team in the future.

Thank you,

Subject: New Incident of Interest.

This is taken from an email related to a larger incident.

Yesterday, the gang unit responded to 3825 Arden at about 9 am. We located a total of 7 subjects inside who did not have permission to be on the property.

Another subject there was REDACTED NAME. This was the same guy giving us issues at the Friendswood abandoned house. Long story, he was arrested for trespassing AND being in possession of a stolen pressure washer that Det. Atkinson recognized from a RING posted theft. The victim was located and pros was desired! During our search of the house, we located a stolen temporary license plate that belonged to the owner of El Sombrero. He was very pleased to have his plate returned.

FYI. Thank you.
